Michael Anderson

GERIATRIC MEDICINE SPECIALIST

Experienced General Medicine Practitioner with a special interest in geriatric care and chronic disease management. Over 9 years of experience in providing compassionate care to older adults, I have a strong understanding of the unique medical and emotional needs of this population. My approach involves thorough assessments, individualized care plans, and ongoing support for patients and their families.

EXPERIENCE

GERIATRIC MEDICINE SPECIALIST

Senior Care Clinic

2016 - Present

- Conducted comprehensive evaluations for elderly patients, focusing on functional and cognitive assessments.
- Developed care plans that improved patient quality of life and reduced emergency visits by 30%.
- Implemented medication management programs, enhancing adherence rates among patients.
- Facilitated family meetings to discuss care strategies and support systems.
- Collaborated with social workers and therapists to provide holistic care.
- Participated in community outreach programs to educate families on geriatric health issues.

GENERAL PRACTITIONER

Family Medicine Clinic

2014 - 2016

- Provided primary care services to patients of all ages, emphasizing preventative health.
- Conducted routine health screenings and vaccinations, promoting community health.
- Documented patient progress and adjusted treatment plans based on outcomes.
- Educated patients on lifestyle modifications to improve chronic disease management.
- Collaborated with healthcare teams to address complex patient needs.
- Received recognition for exceptional patient care and satisfaction.
