MICHAEL ANDERSON

GERIATRIC NURSE

Compassionate and experienced General Nurse with over 10 years in the field of geriatrics. Committed to enhancing the quality of life for elderly patients through personalized care and support. Strong background in assessing, planning, and implementing patient care plans in skilled nursing facilities. Demonstrated ability to work with interdisciplinary teams to manage complex health issues.

PROFESSIONAL EXPERIENCE

Senior Living Community

Mar 2018 - Present

Geriatric Nurse

- Provided comprehensive care to elderly residents, focusing on physical and emotional well-being.
- Conducted regular health assessments and collaborated with physicians for optimal care.
- Implemented individualized care plans to address each resident's needs and preferences.
- Educated families on disease processes, medications, and care strategies.
- Managed medication administration and monitored for side effects and interactions.
- Participated in quality improvement initiatives, resulting in enhanced patient safety protocols.

Nursing Home Facility

Dec 2015 - Jan 2018

Nursing Supervisor

- Supervised a team of nurses and nursing aides in a 150-bed nursing home.
- Coordinated resident care and staff assignments, ensuring compliance with health regulations.
- Conducted staff training on geriatric care best practices and emergency procedures.
- Implemented a fall prevention program that reduced incidents by 40%.
- Facilitated family meetings to address concerns and enhance care decisions.
- Achieved a 95% satisfaction rate among families through effective communication and care delivery.

ACHIEVEMENTS

- Recipient of the 'Excellence in Geriatric Care' award for outstanding service in 2019.
- Contributed to a project that improved resident mobility rates by 25% through tailored exercise programs.
- Successfully trained over 50 nursing staff on geriatric best practices, improving overall care quality.
