WORK EXPERIENCE

Surgical Nurse

2020-2023

University Hospital

- Provided pre-operative assessments and ensured patients were prepared for surgery.
- Administered post-operative care, monitoring vital signs and managing pain relief.
- Collaborated with surgical teams to facilitate efficient patient flow and care.
- Educated patients on post-surgical care and recovery expectations.
- Maintained surgical instruments and ensured compliance with infection control protocols.
- Contributed to a 15% reduction in surgical site infections through quality improvement initiatives.

Clinical Nurse

2019-2020

Specialty Surgery Center

- Assisted in various surgical procedures, providing direct patient care during operations.
- Monitored patients in the recovery room and provided necessary interventions.
- Educated patients and families on pre-operative instructions and care plans.
- Maintained accurate records of patient care and surgical outcomes.
- Participated in continuous education programs to enhance surgical nursing skills.
- Achieved a patient satisfaction score of over 90% through dedicated care.

ACHIEVEMENTS

- Recognized for exemplary patient care with the 'Nurse Excellence Award' in 2019.
- Contributed to a project that improved surgical recovery times by 20% through enhanced protocols.
- Implemented a patient feedback system that increased overall satisfaction ratings.
