# MICHAEL ANDERSON

## COMMERCIAL PLUMBING SUPERVISOR

Accomplished General Plumber with a specialization in advanced commercial plumbing systems and a strong technical foundation. Possesses a comprehensive understanding of plumbing codes and regulations, ensuring that all installations and repairs are compliant with industry standards. Demonstrates a proactive approach to problem-solving, often anticipating issues before they arise. Known for exceptional project management skills, leading complex plumbing installations in high-pressure environments.

## **PROFESSIONAL EXPERIENCE**

### **National Plumbing Group**

*Mar 2018 - Present*

Commercial Plumbing Supervisor

- Supervised large-scale plumbing installations in commercial properties.
- Coordinated with contractors and architects for project alignment.
- Implemented safety protocols to minimize workplace risks.
- Conducted training sessions for junior plumbers on advanced techniques.
- Evaluated and approved project proposals and budgets.
- Maintained compliance with local and federal plumbing codes.

### **Metro Plumbing Services**

*Dec 2015 - Jan 2018*

Lead Plumber

- Managed plumbing installations in high-rise buildings.
- Worked closely with project managers to ensure deadlines were met.
- Utilized advanced plumbing software for project tracking.
- Conducted quality assurance inspections on completed work.
- Resolved client issues swiftly to maintain service satisfaction.
- Trained apprentices in best plumbing practices and safety measures.

## **ACHIEVEMENTS**

- Successfully led a team to complete a \$2 million plumbing project under budget.
- Recognized for excellence in customer service with a 98% satisfaction rating.
- Developed a mentorship program that improved apprentice retention by 40%.
