MICHAEL ANDERSON

ACUTE CARE GERIATRIC NURSE

Dynamic and results-oriented Geriatric Nurse with over 12 years of experience in acute care settings. My career has been dedicated to providing high-quality nursing care to elderly patients facing complex medical issues. I am skilled in crisis intervention, pain management, and the coordination of care across multiple healthcare disciplines. My focus on evidence-based practices ensures that my patients receive the best possible outcomes.

PROFESSIONAL EXPERIENCE

City Hospital Geriatric Unit

Mar 2018 - Present

Acute Care Geriatric Nurse

- Managed care for elderly patients with multi-comorbidities in a fast-paced environment.
- Collaborated with physicians to develop and modify treatment plans based on patient needs.
- Administered intravenous medications and monitored for adverse reactions.
- Conducted family meetings to discuss care goals and progress.
- Utilized advanced monitoring systems to track patient vitals and report changes.
- Reduced hospital readmission rates for geriatric patients by 15% through better discharge planning.

Lakeside Rehabilitation Center

Dec 2015 - Jan 2018

Geriatric Nursing Associate

- Provided comprehensive nursing care to residents in a rehabilitation setting.
- Assisted in developing rehabilitation goals in collaboration with therapists.
- Monitored recovery progress and adjusted care plans accordingly.
- Educated patients and families on post-discharge care and support.
- Participated in quality improvement initiatives that improved patient outcomes.
- Achieved a 20% improvement in patient mobility within three months of care.

ACHIEVEMENTS

- Recipient of the Nursing Excellence Award, 2022.
- Implemented a pain management protocol that improved patient satisfaction scores by 30%.
- Contributed to a research project on elderly patient care that was published in a nursing journal.
