## **EXPERTISE SKILLS**

- glass blowing
- fabrication
- production efficiency
- machinery operation
- quality assurance
- team collaboration

## **LANGUAGES**

- English
- Spanish
- French

## **CERTIFICATION**

- Associate Degree in Glass Technology, Community College of Craft

# MICHAEL ANDERSON

## SENIOR GLASS TECHNICIAN

Innovative glass technician with a specialization in glass blowing and fabrication, contributing over 15 years of experience in the glass manufacturing industry. Demonstrated proficiency in operating advanced glass forming equipment and machinery, resulting in the production of high-quality glass products for commercial distribution. Adept at developing efficient production processes that reduce waste and enhance productivity while ensuring compliance with safety standards.

## **PROFESSIONAL EXPERIENCE**

### **Precision Glass Manufacturing**

*Mar 2018 - Present*

Senior Glass Technician

- Oversaw the glass blowing process to ensure product quality and consistency.
- Operated and maintained advanced glass forming machinery.
- Developed and implemented production efficiency strategies.
- Conducted training sessions for new technicians on equipment operation.
- Collaborated with design teams to refine product specifications.
- Monitored compliance with safety and quality standards.

### **Glass Innovations Inc.**

*Dec 2015 - Jan 2018*

Glass Fabricator

- Fabricated custom glass products based on client specifications.
- Utilized various glass shaping techniques to achieve desired outcomes.
- Maintained precise quality control throughout the fabrication process.
- Assisted in the development of new product lines.
- Managed inventory and ordering of raw materials.
- Collaborated with the engineering team to resolve production issues.

## **ACHIEVEMENTS**

- Reduced production waste by 25% through process optimization.
- Recognized as Employee of the Year for outstanding contributions in 2020.
- Successfully launched three new product lines that increased market share.
