MICHAEL ANDERSON

PROJECT GLAZIER

With a distinguished career as a Glazier, this individual has consistently demonstrated a profound understanding of glass materials and installation techniques. Over 12 years of experience in both residential and commercial projects highlights a versatile skill set that encompasses everything from structural glazing to intricate decorative glass applications. This professional is adept at interpreting technical drawings and executing installations that not only meet but exceed industry standards.

PROFESSIONAL EXPERIENCE

Pinnacle Glass and Glazing

Mar 2018 - Present

Project Glazier

- Led the installation of complex glass structures for high-rise buildings.
- Ensured compliance with building codes and industry regulations.
- Conducted training sessions on safety measures and installation techniques.
- Collaborated with engineers to optimize glass selection for projects.
- Monitored project budgets and timelines, ensuring on-time delivery.
- Developed relationships with suppliers to secure quality materials.

Metro Glassworks

Dec 2015 - Jan 2018

Glazier Apprentice

- Assisted in the installation of residential glass fixtures and windows.
- Learned to read and interpret blueprints and specifications.
- Participated in daily safety briefings and adhered to protocols.
- Handled tools and equipment under the guidance of experienced glaziers.
- Maintained a clean and organized work environment.
- Gained hands-on experience in glass cutting and fitting techniques.

ACHIEVEMENTS

- Awarded the Safety Excellence Award for outstanding safety record.
- Completed over 150 high-rise projects with a 98% client satisfaction rate.
- Improved installation efficiency by 20% through process optimization.
