WORK EXPERIENCE

GovTech Project Manager

2020-2023

New Jersey Department of State

- Led the deployment of a new e-governance platform, increasing public access to government services.
- Facilitated workshops to educate stakeholders on the benefits of digital transformation.
- Managed project budgets and timelines, ensuring projects were completed under budget.
- Developed communication strategies to promote new technology initiatives.
- Collaborated with legal teams to ensure compliance with state regulations.
- Utilized feedback mechanisms to refine and improve service delivery.

Assistant Program Manager

2019-2020

Florida Department of Management Services

- Supported project management efforts for statewide IT initiatives aimed at enhancing service delivery.
- Conducted research on best practices for technology implementation in government.
- Assisted in the preparation of project proposals and funding requests.
- Engaged with stakeholders to gather insights and inform project direction.
- Coordinated training sessions for staff on new technology tools and systems.
- Analyzed project metrics to evaluate performance and identify areas for improvement.

ACHIEVEMENTS

- Successfully led the launch of an e-governance platform that improved service accessibility by 55%.
- Recognized with a 'Leadership in Technology' award for significant contributions to public sector innovation.
- Increased stakeholder engagement by 45% through targeted outreach efforts.
