MICHAEL ANDERSON

GRAPHIC DESIGN PROGRAM COORDINATOR

Innovative Graphic Design Instructor with a strong emphasis on digital media and interactive design. Expertise in developing engaging, student-centered learning experiences that challenge and inspire students to explore their creative potential. Proven track record in integrating technology into the curriculum, resulting in enhanced learning outcomes and student satisfaction. Skilled in fostering a supportive learning environment that encourages collaboration and experimentation.

PROFESSIONAL EXPERIENCE

National College of Design

Mar 2018 - Present

Graphic Design Program Coordinator

- Coordinated the graphic design program, overseeing curriculum and faculty development.
- Implemented technology-driven projects to enhance student learning experiences.
- Organized annual design showcases to highlight student work and attract industry attention.
- Collaborated with local businesses for student internships and real-world projects.
- Conducted workshops on responsive design and user interface principles.
- Developed assessment criteria to measure student learning outcomes effectively.

Community Art School

Dec 2015 - Jan 2018

Adjunct Graphic Design Instructor

- Delivered courses in web design, branding, and visual storytelling.
- Facilitated hands-on projects that encouraged creative problem-solving.
- Guided students in the use of design software for various applications.
- Provided constructive feedback on student work to promote improvement.
- Encouraged student participation in design competitions and exhibitions.
- Engaged in curriculum evaluation to ensure alignment with industry changes.

ACHIEVEMENTS

- Received 'Innovative Educator Award' from the National College of Design in 2022.
- Increased student participation in design competitions by 50% over three years.
- Published a guide on integrating technology in graphic design education.
