MICHAEL ANDERSON

HEALTH EQUITY PROGRAM MANAGER

Strategic Grassroots Program Manager with a focus on health equity and community wellness initiatives. Expertise in designing and implementing programs that address health disparities among marginalized populations. Demonstrated ability to build coalitions and leverage community assets to enhance program effectiveness. Skilled in utilizing data-driven approaches to inform decision-making and improve health outcomes.

PROFESSIONAL EXPERIENCE

Wellness for All

Mar 2018 - Present

Health Equity Program Manager

- Developed and implemented health programs that improved access to care for over 1,200 underserved individuals.
- Established partnerships with local health clinics to provide resources for community members.
- Conducted health assessments to identify community needs and inform program design.
- Managed a team of health educators to deliver workshops on preventive care.
- Utilized data analysis to evaluate program outcomes and enhance service delivery.
- Advocated for policy changes to address health disparities at the local level.

Healthy Communities Initiative

Dec 2015 - Jan 2018

Community Health Coordinator

- Coordinated community health outreach efforts that reached over 5,000 residents.
- Facilitated partnerships with schools and local organizations to promote health education.
- Organized health fairs that provided free screenings and resources to the community.
- Conducted training for volunteers to effectively engage community members.
- Monitored program budgets and ensured compliance with funding requirements.
- Collaborated with local government to secure funding for health initiatives.

ACHIEVEMENTS

- Received the Health Equity Award for outstanding contributions to community health initiatives.
- Increased access to health services for low-income populations by 45%.
- Recognized for excellence in community health programming at the National Health Conference.
