- (555) 234-5678
- michael.anderson@email.com

A passionate and detail-oriented Greenhouse Horticulturist with 5 years of experience in the cultivation of specialty crops and herbs. Focus on enhancing flavor profiles and quality through meticulous growing techniques and sustainable practices. Demonstrated ability to work collaboratively with chefs and restaurants to supply fresh herbs and specialty produce. Committed to promoting local food systems and educating the public on the benefits of specialty crops.

## WORK EXPERIENCE

### Specialty Crop Grower | Herb Haven Farms

Jan 2022 – Present

- Managed the cultivation of a variety of herbs and specialty crops in a small greenhouse.
- Developed relationships with local chefs to supply fresh ingredients.
- Implemented organic growing practices to enhance product quality.
- Conducted regular market research to identify trends in specialty crops.
- Collaborated with culinary teams to develop unique growing techniques.
- Participated in farmers' markets to promote products and engage with customers.

### Greenhouse Intern | Fresh Start Greenhouse

Jul 2019 – Dec 2021

- Assisted in daily operations of a small-scale greenhouse.
- Learned and implemented best practices in crop management.
- Helped with plant propagation and care of specialty crops.
- Maintained greenhouse cleanliness and organization.
- Engaged with customers during market days to promote produce.
- Supported community events to raise awareness about local farming.
