WORK EXPERIENCE

Grid Energy Storage Manager 2020-2023

Terra Energy Solutions

- Managed a portfolio of energy storage projects with a combined capacity of 150 MW.
- Implemented best practices for project management and execution, reducing delays by 25%.
- Collaborated with engineering teams to optimize energy storage system designs.
- Engaged with community stakeholders to promote awareness of energy storage benefits.
- Monitored industry trends to inform strategic project decisions.
- Conducted training sessions for new hires on energy storage technologies.

Energy Storage Coordinator 2019-2020

Renewable Innovations

- Coordinated logistics for energy storage system installations across various sites.
- Supported project managers in tracking progress and budget compliance.
- Assisted in the development of project proposals and grant applications.
- Facilitated communication between project teams and external partners.
- Conducted market research to identify opportunities for new projects.
- Prepared detailed project reports for stakeholders and management.

ACHIEVEMENTS

- Successfully launched a community energy storage initiative that garnered local recognition.
- Improved project delivery timelines by 20% through enhanced coordination practices.
- Received the Leadership Excellence Award for outstanding project management.
