# MICHAEL ANDERSON

## GRIP TECHNICIAN

Innovative Grip Technician with a strong foundation in commercial production and advertising, distinguished by a unique ability to blend technical expertise with creative vision. Specialized in the application of advanced grip techniques to enhance visual storytelling and elevate production quality. Proven experience in collaborating with directors, cinematographers, and production teams to develop and execute compelling visual narratives.

## **PROFESSIONAL EXPERIENCE**

### **Visionary Ads**

*Mar 2018 - Present*

#### Grip Technician

- Executed complex rigging setups for high-profile commercial shoots, enhancing visual impact.
- Collaborated with the creative team to develop innovative grip solutions for challenging shots.
- Maintained a comprehensive inventory of grip equipment, ensuring availability for shoots.
- Assisted in the training of junior grips on advanced techniques and safety procedures.
- Contributed to the successful completion of over 200 commercial projects.
- Implemented new workflow strategies that improved efficiency by 15%.

### **Creative Productions**

*Dec 2015 - Jan 2018*

#### Grip Assistant

- Supported the grip team in the setup and operation of equipment for various projects.
- Maintained cleanliness and organization of the grip workspace.
- Assisted in the execution of specific rigging tasks under the supervision of lead grips.
- Engaged in pre-production meetings to discuss equipment needs.
- Utilized various grip tools, including sliders and jibs, to achieve desired effects.
- Adapted to changing production needs and schedules with flexibility.

## **ACHIEVEMENTS**

- Contributed to a campaign that won a Gold ADDY Award for Creative Excellence.
- Recognized for outstanding performance in a fast-paced production environment.
- Successfully trained four junior grips who advanced to lead positions.
