# MICHAEL ANDERSON

## HAZARDOUS WASTE PROGRAM DIRECTOR

Accomplished Hazardous Waste Manager with over a decade of experience specializing in hazardous material compliance and environmental sustainability. Expertise in developing and implementing waste management programs that significantly reduce environmental impact while ensuring adherence to complex regulatory frameworks. Proven ability to lead cross-disciplinary teams in conducting risk assessments, audits, and compliance checks, resulting in enhanced safety and operational efficiency.

## **PROFESSIONAL EXPERIENCE**

### **EnviroGuard Corp.**

*Mar 2018 - Present*

Hazardous Waste Program Director

- Directed the company's hazardous waste management program, ensuring compliance with all applicable regulations.
- Developed strategic partnerships with local agencies to enhance community engagement in waste reduction.
- Implemented a comprehensive training program that decreased incident rates by 40%.
- Oversaw the development of waste tracking systems that improved efficiency by 30%.
- Conducted regular audits, identifying compliance gaps and implementing corrective measures.
- Championed initiatives that resulted in a 25% reduction in hazardous waste generation.

### **Waste Management Solutions**

*Dec 2015 - Jan 2018*

Compliance Analyst

- Analyzed compliance data to ensure adherence to hazardous waste regulations.
- Collaborated with engineering teams to design safe waste handling procedures.
- Conducted environmental assessments to identify potential risks associated with hazardous materials.
- Prepared detailed reports for regulatory agencies, ensuring transparency and accountability.
- Facilitated training workshops for employees on compliance and safety protocols.
- Participated in the development of corporate sustainability initiatives.

## **ACHIEVEMENTS**

- Led a project that achieved a 35% reduction in hazardous waste through innovative recycling programs.
- Recognized with the 'Environmental Excellence Award' for outstanding contributions to sustainability.
- Authored a widely adopted guideline on hazardous waste best practices.
