# MICHAEL ANDERSON

## VICE PRESIDENT OF FACILITIES MANAGEMENT

Strategic facilities management executive with a strong emphasis on operational excellence and sustainability. Recognized for developing and implementing innovative strategies that enhance facility performance while aligning with corporate sustainability goals. Expertise in managing facilities across diverse sectors, including corporate, retail, and industrial environments. Proven ability to lead cross-functional teams, drive change, and foster a culture of continuous improvement.

## **PROFESSIONAL EXPERIENCE**

### **Eco-Friendly Solutions Inc.**

*Mar 2018 - Present*

Vice President of Facilities Management

- Oversaw facilities operations for a portfolio of green buildings, ensuring adherence to sustainability practices.
- Developed and executed strategic plans to enhance energy efficiency, resulting in a 35% reduction in energy costs.
- Led initiatives to achieve LEED certification for multiple facilities.
- Implemented facility management best practices to streamline operations and reduce waste.
- Managed a team of facility managers, providing guidance and support to achieve operational goals.
- Conducted facility assessments to identify areas for improvement and implement corrective actions.

### **Innovative Retail Group**

*Dec 2015 - Jan 2018*

Facilities Operations Manager

- Managed daily operations of retail facilities, ensuring a high level of service and compliance.
- Coordinated maintenance and repair activities to minimize disruptions to retail operations.
- Implemented inventory control measures that reduced supply costs by 15%.
- Developed and managed facility budgets, tracking expenses and identifying cost-saving opportunities.
- Trained and supervised facility staff on operational procedures and standards.
- Collaborated with marketing teams to enhance the customer experience through facility improvements.

## **ACHIEVEMENTS**

- Reduced operational costs by 40% through strategic energy management initiatives.
- Recognized for achieving corporate sustainability goals ahead of schedule.
- Received the Excellence in Facilities Management Award for innovative practices.
