EDUCATION

BACHELOR OF SCIENCE IN URBAN PLANNING, GEORGIA INSTITUTE OF TECHNOLOGY, 2015

ACHIEVEMENTS

- Instrumental in launching a \$50 million smart city project that improved public transportation efficiency.
- Awarded 'Innovator of the Year' by the Urban Development Association in 2022.
- Developed a community feedback platform that increased public participation in urban planning by 60%.

WORK EXPERIENCE

HEAD OF INFRASTRUCTURE DEVELOPMENT

Smart City Innovations

2020 - 2025

- Led the development of smart infrastructure projects, enhancing city services through technology.
- Managed cross-functional teams to implement IoT solutions for urban mobility.
- Collaborated with city officials to align project goals with community needs.
- Conducted workshops to educate stakeholders on smart technology benefits.
- Analyzed data to inform project decisions and improve service delivery.
- Developed strategic partnerships with tech firms to support project initiatives.

PROJECT MANAGER

Urban Tech Solutions

2015 - 2020

- Managed infrastructure projects focusing on technology integration and urban planning.
- Utilized project management software to track progress and resource allocation.
- Facilitated stakeholder meetings to ensure alignment on project objectives.
- Conducted feasibility studies to assess potential impacts of technology on infrastructure.
- Monitored project budgets and schedules to ensure timely completion.
- Prepared comprehensive reports for project stakeholders and leadership.
