ACHIEVEMENTS

- Successfully secured \$10 million in federal funding for urban transit improvements.
- Recognized for excellence in project management by the City Council.
- Increased community engagement in transportation planning by 30% through outreach programs.

Strategic Head of Transportation with a wealth of experience in urban transport systems and infrastructure development. Expertise in steering public and private sector transportation projects from conception through execution. Demonstrated ability to engage with governmental agencies, stakeholders, and community groups to promote transportation initiatives that enhance urban mobility. Proven success in managing multimillion-dollar budgets and ensuring projects are completed on time and within scope.

WORK EXPERIENCE

URBAN TRANSPORTATION PROJECT MANAGER

City Transportation Authority

2020 - 2025

- Managed a \$50 million public transit project, successfully increasing ridership by 20%.
- Engaged with community stakeholders to gather input and address concerns regarding transportation initiatives.
- Coordinated with engineering teams to ensure timely project delivery and adherence to safety standards.
- Oversaw budget management and resource allocation to optimize project outcomes.
- Implemented public outreach programs to educate citizens about new transit options.
- Developed strategic plans to enhance the efficiency of urban transport systems.

TRANSPORTATION POLICY ANALYST

State Department of Transportation

2015 - 2020

- Conducted research and analysis on transportation policies impacting urban development.
- Collaborated with government agencies to develop sustainable transportation initiatives.
- Prepared detailed reports and recommendations for legislative consideration.
- Participated in stakeholder meetings to advocate for transportation funding.
- Monitored compliance with state and federal transportation regulations.
- Assisted in the planning of regional transportation projects to improve connectivity.
