

# MICHAEL ANDERSON

## Headless CMS Developer

Innovative Headless CMS Developer with over 4 years of experience in the non-profit sector, focusing on building content management systems that facilitate better communication and engagement with stakeholders. I have a strong commitment to social causes and leverage technology to help organizations maximize their impact. My experience includes developing headless CMS solutions that allow for easy content updates across various platforms, ensuring that important information reaches the intended audiences promptly.

### WORK EXPERIENCE

#### Headless CMS Developer

2020-2023

Non-Profit Digital Solutions

- Developed a headless CMS for a non-profit organization, streamlining content updates and reducing publication time by 40%.
- Collaborated with marketing teams to create compelling narratives that engage donors and supporters.
- Implemented data analytics tools to measure content effectiveness and reach.
- Conducted training sessions for staff on CMS usage, improving overall efficiency.
- Enhanced website accessibility features to ensure inclusivity for all users.
- Managed ongoing updates and maintenance to keep the CMS aligned with organizational goals.

#### Junior CMS Developer

2019-2020

Social Impact Tech

- Assisted in the development of a headless CMS for a charity organization.
- Worked with team members to gather user requirements and feedback for system improvements.
- Documented technical specifications and user manuals for future reference.
- Supported the integration of social media tools to enhance online engagement.
- Conducted testing to ensure the CMS meets user needs and expectations.
- Engaged in regular team meetings to discuss project progress and challenges.

### ACHIEVEMENTS

- Improved donor engagement by 30% through strategic content management.
- Recognized for outstanding contributions to non-profit digital initiatives.
- Received positive feedback from users about the CMS's ease of use and accessibility.
