EDUCATION

MASTER OF PUBLIC HEALTH, MATERNAL AND CHILD HEALTH, UNIVERSITY OF HEALTH SCIENCES

ACHIEVEMENTS

- Received the Outstanding Service Award for contributions to maternal health advocacy.
- Increased program funding by 150% through successful grant applications.
- Published articles on maternal health in various health journals.

PROFILE

I am a passionate Health Equity Specialist with a focus on maternal and child health, bringing over 15 years of experience in program development and implementation. My career began as a community health worker, where I witnessed firsthand the barriers faced by women and children in accessing healthcare services. This experience ignited my commitment to advocate for policy changes that promote equitable healthcare access.

EXPERIENCE

PROGRAM DIRECTOR

Maternal Health Coalition

2016 - Present

- Oversaw the implementation of maternal health programs that served over 5,000 women annually.
- Developed partnerships with local hospitals to improve prenatal care access.
- Conducted training sessions for healthcare providers on culturally competent care.
- Secured \$1 million in funding through grants to expand program reach.
- Evaluated program outcomes, achieving a 15% reduction in preterm births.
- Advocated for policy changes at the state level to enhance maternal health services.

HEALTH EDUCATOR

Women's Health Initiative

2014 - 2016

- Developed educational materials focused on prenatal and postnatal care.
- Facilitated workshops for expectant mothers to promote healthy behaviors.
- Collaborated with local organizations to increase awareness of maternal health issues.
- Monitored program participation and feedback to improve service delivery.
- Engaged in outreach efforts, increasing program enrollment by 50%.
- Participated in research projects examining maternal health disparities.
