Proactive Health Inspection Specialist with a passion for promoting safe and healthy environments. With over four years of experience in health inspections and compliance monitoring, I have honed my skills in identifying potential health risks and ensuring adherence to regulations. My background includes working closely with local businesses and community organizations to foster a culture of health and safety.

## WORK EXPERIENCE

### Health Inspector | Community Health Department

Jan 2022 – Present

- Performed health inspections of local businesses to ensure compliance with health standards.
- Educated business owners on health regulations and best practices.
- Collaborated with community organizations to promote health awareness.
- Documented findings and communicated effectively with stakeholders.
- Participated in health fairs to engage with the community.
- Assisted in the development of health promotion campaigns.

### Public Health Intern | Local Health Agency

Jul 2019 – Dec 2021

- Supported health inspections and compliance checks across various facilities.
- Conducted research on public health trends and best practices.
- Assisted in organizing community health events.
- Participated in the development of educational materials.
- Engaged with community members to gather feedback on health services.
- Maintained accurate records of inspection data.
