SKILLS

- Health Informatics
- Data Analysis
- Program Evaluation
- Database Management
- Statistical Methods
- Report Generation

EDUCATION

MASTER OF HEALTH INFORMATICS, TECH UNIVERSITY, 2016

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Improved data accuracy by 35% through enhanced training programs.
- Recognized as Employee of the Year in 2020 for outstanding performance.
- Successfully implemented a new data tracking system, increasing efficiency by 25%.

Innovative Health Program Specialist with over 6 years of experience in health informatics and data management. My background in health information technology allows me to enhance program delivery through strategic use of data. I am skilled in creating user-friendly databases, analyzing health trends, and generating reports that inform decision-making. Collaborating with healthcare providers to streamline data collection processes, I have successfully improved efficiency in program operations.

EXPERIENCE

HEALTH INFORMATICS SPECIALIST

Health Technology Solutions

2016 - Present
