### ACHIEVEMENTS

- Instrumental in the launch of a statewide health program that increased access to preventive care.
- Recognized for outstanding contributions to health policy research by the State Health Board.
- Successfully secured \$1 million in funding for health initiatives through grant writing.

### PROFILE

Results-oriented Health Research Policy Specialist with extensive experience in health services research and policy advocacy. Over 8 years of experience in the public health sector, focusing on health systems strengthening and policy analysis. Adept at leveraging data analytics to improve healthcare delivery systems and outcomes. I have a strong track record of collaborating with government agencies, healthcare providers, and community organizations to develop evidence-based policies.

### EXPERIENCE

#### HEALTH POLICY ADVISOR

##### State Department of Health

*2016 - Present*

- Advised on the implementation of statewide health initiatives to improve access to care.
