# MICHAEL ANDERSON

## LEAD PRODUCT MANAGER

Accomplished Healthcare SaaS Product Manager with extensive experience in the healthcare technology landscape. Demonstrates a comprehensive understanding of both clinical and operational workflows, enabling the design of solutions that optimize patient care and provider efficiency. Proven success in leading diverse teams through the product development lifecycle, ensuring adherence to best practices and regulatory standards.

## PROFESSIONAL EXPERIENCE

### **Health Solutions Group**

*Mar 2018 - Present*

Lead Product Manager

- Oversaw the development of a comprehensive hospital management system, reducing operational costs by 20%.
- Established key performance indicators to measure product success and drive continuous improvement.
- Collaborated with clinical teams to gather requirements and validate product functionality.
- Managed vendor relationships to ensure timely delivery of software updates and enhancements.
- Conducted training sessions for healthcare providers to optimize system utilization.
- Facilitated focus groups to gather user feedback and inform product roadmaps.

### **CareTech Solutions**

*Dec 2015 - Jan 2018*

Product Manager

- Led the redesign of a patient scheduling application, resulting in a 30% decrease in no-show rates.
- Conducted competitive analysis to inform product positioning and feature prioritization.
- Engaged with end-users to gather insights and iterate on product designs.
- Coordinated with marketing teams to develop go-to-market strategies for product launches.
- Analyzed user metrics to drive product enhancements and improve user experience.
- Monitored industry regulatory changes to ensure product compliance and relevance.

## ACHIEVEMENTS

- Achieved a 'Best in Class' award for software innovation from the Healthcare Technology Association.
- Successfully improved user satisfaction scores by 40% through targeted product enhancements.
- Reduced implementation time for new clients by 25% through streamlined onboarding processes.
