

MICHAEL ANDERSON

ANTIQUÉ FURNITURE RESTORER

PROFILE

Accomplished Heritage Woodwork Specialist with a robust portfolio in antique furniture restoration and preservation. Exceptional ability to blend historical accuracy with innovative restoration strategies, ensuring artifacts retain their cultural significance while achieving structural integrity. Adept at conducting thorough research on historical practices and materials, resulting in authentic restoration outcomes. Expertise in collaborating with museums and private collectors to execute comprehensive restoration projects that honor the original craftsmanship.

EXPERIENCE

ANTIQUÉ FURNITURE RESTORER

Timeless Treasures Restoration

2016 - Present

- Executed comprehensive restoration projects for antique furniture over 200 years old.
- Utilized traditional joinery techniques to ensure structural integrity.
- Conducted extensive research on historical finishes and materials.
- Engaged clients through regular updates and consultations during restoration.
- Preserved and restored intricate carvings and inlays with precision.
- Maintained an organized workshop with specialized tools for various wood types.

HERITAGE WOODWORK ADVISOR

Museum of Antique Arts

2014 - 2016

- Developed restoration guidelines for museum artifacts.
- Provided insights on best practices for wood preservation in exhibits.
- Conducted workshops for volunteers and interns on restoration techniques.
- Collaborated with curators to enhance artifact presentation.
- Participated in fundraising events to promote heritage conservation.
- Drafted informative literature on woodwork history for museum visitors.
