SKILLS

- Operations management
- Team leadership
- Strategic planning
- Compliance oversight
- Budget management
- Technical support

LANGUAGES

- English
- Spanish
- French

EDUCATION

MASTER OF SCIENCE IN ELECTRICAL ENGINEERING, INSTITUTE OF TECHNOLOGY, 2002

ACHIEVEMENTS

- Recognized for leading a project that enhanced power distribution efficiency by 40%.
- Achieved a 100% safety compliance record over five consecutive years.
- Received the 'Excellence in Leadership' award for outstanding contributions to the team.

WORK EXPERIENCE

HIGH VOLTAGE OPERATIONS MANAGER

Elite Power Solutions

2020 - 2025

- Directed high voltage operations and maintenance for multiple facilities.
- Implemented strategic initiatives that improved service reliability by 30%.
- Managed a team of electricians, overseeing training and development programs.
- Coordinated with regulatory bodies to ensure compliance with safety standards.
- Oversaw budget management for electrical projects, optimizing resource allocation.
- Conducted audits and inspections to maintain operational excellence.

LEAD HIGH VOLTAGE ELECTRICIAN

PowerTech Industries

2015 - 2020

- Led high voltage installations and maintenance for industrial clients.
- Executed complex troubleshooting procedures to resolve electrical failures.
- Utilized advanced technology for monitoring and diagnostics of systems.
- Collaborated with engineers on system upgrades and improvements.
- Provided technical support and guidance to junior staff.
- Maintained comprehensive documentation of all project work and outcomes.
