Michael Anderson

DEI CONSULTANT

As a Higher Education Consultant specializing in diversity, equity, and inclusion (DEI), I have over 9 years of experience advocating for underrepresented populations within academic environments. My work focuses on developing initiatives that promote inclusive practices and policies in higher education institutions. I am skilled at conducting assessments of campus climates, facilitating training sessions, and developing strategic plans to enhance DEI efforts.

EXPERIENCE

DEI CONSULTANT

Equity in Education

2016 - Present

- Conducted climate assessments to identify barriers to inclusivity at partner institutions.
- Developed and facilitated DEI training for over 300 faculty and staff members.
- Collaborated with administration to create action plans addressing identified issues.
- Implemented mentorship programs that increased retention rates for underrepresented students by 20%.
- Evaluated the effectiveness of DEI initiatives through data analysis and reporting.
- Presented findings and recommendations to institutional leadership for actionable change.

DIVERSITY & INCLUSION COORDINATOR

State University

2014 - 2016

- Developed programs aimed at increasing awareness of diversity issues among students.
- Facilitated workshops that empowered students to advocate for change on campus.
- Managed outreach initiatives to engage underrepresented student populations.
- Collaborated with student organizations to promote cultural events.
- Assessed the impact of DEI programs through student surveys and focus groups.
- Provided support for students facing bias and discrimination.
