EDUCATION

**MASTER OF ARTS IN ADULT EDUCATION,
LEARNING INSTITUTE, 2015**

ACHIEVEMENTS

- Recognized for outstanding curriculum design with the Adult Education Excellence Award.
- Increased course completion rates by 30% through targeted curriculum adjustments.
- Successfully developed a series of workshops that led to a 50% increase in instructor effectiveness ratings.

PROFILE

Creative and detail-oriented Higher Education Curriculum Designer with a robust background in adult education and training. Over 7 years of experience in designing curricula that facilitate effective learning and professional development for adult learners. Expertise in using data-driven approaches to tailor educational programs that meet the needs of diverse populations. Skilled in creating interactive and engaging learning environments through the use of multimedia and experiential learning strategies.

EXPERIENCE

CURRICULUM DESIGNER

Adult Learning Institute

2016 - Present

- Developed and implemented competency-based curricula for professional development courses.
- Utilized feedback from learners to continuously improve course materials and delivery methods.
- Conducted needs assessments to identify gaps in existing training programs.
- Collaborated with subject matter experts to ensure content accuracy and relevance.
- Facilitated training sessions for instructors on adult learning principles and effective teaching techniques.
- Managed course evaluation processes, resulting in a 40% increase in learner satisfaction ratings.

INSTRUCTIONAL DESIGNER

Community College

2014 - 2016

- Redesigned curriculum for continuing education programs, increasing enrollment by 25%.
- Implemented a new online course platform, improving accessibility for remote learners.
- Developed multimedia resources to enhance student engagement and learning retention.
- Coordinated with faculty to align course objectives with industry standards.
- Assisted in accreditation preparation, resulting in successful reaccreditation for the institution.
- Analyzed course completion data to identify and address barriers to student success.
