### EDUCATION

**M.A. IN EDUCATIONAL POLICY,  
UNIVERSITY OF EXCELLENCE**

### ACHIEVEMENTS

- Developed a policy brief that influenced state funding allocation for higher education.
- Contributed to a research project that won the 'Best Research Initiative' award in 2021.
- Secured a \$200,000 grant for a study on student success metrics.

### PROFILE

Results-oriented Higher Education Researcher with a strong background in educational policy analysis and program evaluation. I possess over 7 years of experience in the higher education sector, focusing on institutional research, strategic planning, and performance metrics. My expertise lies in using data-driven approaches to assess the impact of educational programs on student success and institutional effectiveness.

### EXPERIENCE

#### POLICY RESEARCH ASSOCIATE

##### National Council for Higher Education

*2016 - Present*

- Analyzed state and federal policies affecting higher education funding and access.
- Collaborated with stakeholders to develop policy briefs that address key issues.
- Utilized quantitative methods to evaluate program effectiveness and outcomes.
- Presented research findings to policymakers to advocate for necessary reforms.
- Organized workshops to disseminate research and engage community stakeholders.
- Authored comprehensive reports that highlight best practices in higher education policy.

#### RESEARCH ANALYST

##### University of Excellence

*2014 - 2016*

- Conducted evaluations of academic programs to assess their impact on student learning.
- Developed data collection instruments and analyzed survey results.
- Utilized Excel and R for statistical analysis and data visualization.
- Collaborated with faculty to align research with institutional priorities.
- Presented findings at internal meetings to inform strategic planning initiatives.
- Assisted in grant writing efforts to secure funding for research projects.
