# MICHAEL ANDERSON

## ASSOCIATE PROFESSOR OF ART

With over 12 years of experience in the realm of arts education, I am a passionate Higher Education Teaching Professional dedicated to cultivating creativity and critical thinking in students. My approach emphasizes the importance of experiential learning, allowing students to engage deeply with their artistic practice. I have successfully developed interdisciplinary programs that connect visual arts, performance, and digital media, fostering collaboration among students from diverse backgrounds.

## **PROFESSIONAL EXPERIENCE**

### **School of the Arts**

*Mar 2018 - Present*

Associate Professor of Art

- Designed and taught interdisciplinary art courses integrating digital media and traditional practices.
- Facilitated student exhibitions that highlighted their work and garnered community attention.
- Mentored students in developing professional portfolios for their careers in art.
- Integrated community engagement projects into the curriculum, enhancing local partnerships.
- Led workshops on contemporary art practices, attracting guest artists for collaboration.
- Conducted research on the impact of arts education on student development.

### **Cultural Arts Center**

*Dec 2015 - Jan 2018*

Visiting Artist Educator

- Provided workshops and lectures on contemporary art trends and practices.
- Collaborated with local schools to develop art enrichment programs for students.
- Facilitated community art projects that engaged diverse populations.
- Contributed to the development of educational materials for public art programs.
- Participated in panel discussions promoting the value of arts in education.
- Engaged students in meaningful discussions about the role of art in society.

## **ACHIEVEMENTS**

- Recipient of the National Arts Educator Award in 2019.
- Organized a state-wide art exhibition that featured over 100 student works.
- Increased student enrollment in art programs by 35% through community outreach.
