SKILLS

- Transportation Engineering
- Project Management
- Environmental Compliance
- AutoCAD
- GIS Analysis
- Stakeholder Communication

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN CIVIL
ENGINEERING, UNIVERSITY OF ILLINOIS**

ACHIEVEMENTS

- Recognized for implementing a project that reduced construction costs by 15%.
- Received the Young Engineer Award for outstanding contributions to highway projects.
- Successfully completed a major highway redesign ahead of schedule.

WORK EXPERIENCE

HIGHWAY PROJECT ENGINEER

Innovative Infrastructure Solutions

2020 - 2025

- Designed and implemented highway projects that improved traffic flow by 20%.
- Conducted feasibility studies to assess potential project impacts.
- Collaborated with regulatory agencies to ensure environmental compliance.
- Managed project timelines, budgets, and resources effectively.
- Utilized AutoCAD and other software for design and planning purposes.
- Supervised field teams during construction phases to ensure quality standards.

JUNIOR HIGHWAY ENGINEER

City Engineering Department

2015 - 2020

- Assisted in the design of highway expansion projects to accommodate increased traffic.
- Conducted site inspections and prepared reports on project progress.
- Collaborated with senior engineers to develop project specifications.
- Utilized GIS tools to analyze traffic patterns and inform design decisions.
- Supported community outreach initiatives to gather public input.
- Maintained accurate records of project documentation and correspondence.
