ACHIEVEMENTS

- Increased community garden participation by 50% within two years.
- Secured funding for urban gardening projects totaling \$100,000.
- Recognized as 'Community Leader in Sustainability' by local government.

PROFILE

An accomplished horticulture development specialist with a robust background in urban agriculture and community gardening initiatives. Over eight years of experience in designing and implementing horticultural programs that promote local food systems and environmental stewardship. Expertise encompasses community engagement, educational program development, and hands-on horticultural training. Proven ability to lead projects that enhance urban green spaces, contributing to improved community resilience and ecological health.

EXPERIENCE

URBAN AGRICULTURE PROGRAM MANAGER

City Green Initiative

2016 - Present

- Developed and managed urban gardening programs for local communities.
- Led workshops on sustainable gardening practices and crop production.
- Collaborated with schools to integrate gardening into educational curricula.
- Coordinated volunteer efforts for community garden maintenance.
- Implemented composting initiatives to reduce waste.
- Evaluated program impact through community surveys and data collection.

HORTICULTURE EDUCATOR

Green Thumb Academy

2014 - 2016

- Designed curriculum focused on practical horticulture skills for students.
- Conducted hands-on training sessions in gardening techniques.
- Facilitated community workshops on nutrition and food production.
- Engaged with local stakeholders to promote gardening initiatives.
- Organized field trips to local farms and gardens for experiential learning.
- Created educational materials and resources for program participants.
