# Michael Anderson

## LANDSCAPE PROJECT MANAGER

A dedicated horticulture development specialist with expertise in landscape design and environmental restoration. Over seven years of experience in creating sustainable landscapes that enhance biodiversity and promote ecological balance. Skilled in project management, site analysis, and client consultation, with a focus on implementing native plant landscaping and water-efficient designs. Proven ability to manage multiple projects simultaneously while ensuring timely delivery and quality standards.

## EXPERIENCE

### LANDSCAPE PROJECT MANAGER

EcoLandscapes Inc.

2016 - Present

- Managed landscape design projects from concept to completion.
- Conducted site assessments to determine ecological impacts.
- Collaborated with clients to create tailored landscape solutions.
