EDUCATION

**BACHELOR OF SCIENCE IN
HORTICULTURE, STATE UNIVERSITY,
2011**

ACHIEVEMENTS

- Developed a native plant curriculum adopted by multiple schools.
- Received the Excellence in Education Award for innovative programming.
- Increased community garden participation by 40% through strategic outreach.

PROFILE

An accomplished Horticulture Educator with a robust background in botanical sciences and landscape design. Over 10 years of experience in delivering educational programs that emphasize the importance of biodiversity and native plant conservation. Adept at engaging diverse audiences, from students to professional horticulturists, in the intricacies of plant biology and ecology.

EXPERIENCE

HORTICULTURE PROGRAM DIRECTOR

Botanical Gardens of Springfield

2016 - Present

- Developed and managed educational programs focused on native plant species.
- Led workshops on landscape design and sustainable gardening techniques.
- Collaborated with local schools to create student-led garden initiatives.
- Conducted research on plant adaptation and resilience in urban environments.
- Oversaw volunteer training programs to enhance community involvement.
- Utilized social media to promote educational events and increase outreach.

LANDSCAPE EDUCATOR

Green Thumb Academy

2014 - 2016

- Designed curriculum for landscape design and horticulture courses.
- Facilitated hands-on workshops for aspiring horticulturists.
- Implemented assessment tools to evaluate student progress and program effectiveness.
- Organized field trips to local nurseries and botanical gardens.
- Mentored students in plant identification and garden management.
- Engaged with community leaders to promote horticulture education.
