WORK EXPERIENCE

Nursery Production Manager

2020-2023

Evergreen Nurseries

- Managed production operations for a large-scale nursery.
- Developed and implemented production schedules to ensure timely availability of plant stock.
- Trained staff on plant care and propagation techniques.
- Oversaw quality control processes to ensure plant health and viability.
- Coordinated with landscape architects to fulfill project specifications.
- Utilized inventory management software to track stock levels and orders.

Production Coordinator

2019-2020

GreenScape Designs

- Assisted in managing production schedules for landscape installations.
- Coordinated with suppliers for timely delivery of plants and materials.
- Monitored plant health and addressed any issues promptly.
- Supported the training of new team members on production processes.
- Analyzed market trends to inform plant selection and production strategies.
- Collaborated with design teams to ensure alignment with client expectations.

ACHIEVEMENTS

- Increased nursery production efficiency by 20% through process reengineering.
- Successfully launched a new line of native plants that generated significant sales growth.
- Recognized as employee of the year for outstanding leadership in 2019.
