WORK EXPERIENCE

Practical Horticulture Trainer

2020-2023

Hands-On Horticulture

- Designed and delivered interactive training sessions focused on practical horticultural skills.
- Utilized hands-on activities to enhance participant engagement and learning retention.
- Conducted assessments to evaluate skill development and knowledge acquisition.
- Collaborated with industry professionals to provide real-world insights.
- Organized field trips to local farms to illustrate practical applications.
- Facilitated discussions on current trends and challenges in horticulture.

Horticulture Workshop Facilitator

2019-2020

Community Green Spaces

- Led workshops for community members on basic gardening skills and plant care.
- Developed training materials that cater to diverse learning styles.
- Engaged participants through interactive demonstrations and Q&A sessions.
- Evaluated participant feedback to improve future workshops.
- Fostered a collaborative learning environment among participants.
- Participated in community events to promote horticultural education.

ACHIEVEMENTS

- Increased participant retention rates in workshops by 30% through engaging content.
- Recognized for excellence in workshop facilitation by local community organizations.
- Successfully launched a gardening club that grew to over 50 members within a year.
