Michael Anderson

HOSPICE CARE NURSE

Empathetic Hospice Care Nurse with a robust background in providing comprehensive care to terminally ill patients and their families. With over 6 years of nursing experience, I specialize in pain management, emotional support, and care planning. My approach focuses on the importance of communication and respect for patients' wishes, which is vital in hospice care.

EXPERIENCE

HOSPICE CARE NURSE

Comforting Hands Hospice

2016 - Present

- Provided holistic care to patients in hospice settings, focusing on comfort and dignity.
- Assessed and monitored patient symptoms, modifying care plans as needed.
- Educated families about the hospice process and available support services.
- Collaborated with healthcare professionals to ensure seamless care delivery.
- Documented patient care activities and outcomes accurately.
- Facilitated family meetings to discuss care goals and progress.

MEDICAL-SURGICAL NURSE

City Hospital

2014 - 2016

- Delivered nursing care in a medical-surgical unit with a focus on patient safety.
- Managed care for patients post-surgery, ensuring optimal recovery.
- Participated in discharge planning and patient education.
- Documented patient assessments and responses to treatment.
- Trained nursing interns on unit protocols and procedures.
- Contributed to quality improvement initiatives to enhance patient care.
