

MICHAEL ANDERSON

HOUSING DEVELOPMENT PROJECT LEAD

PROFILE

Accomplished Housing Development Manager with a robust background in urban planning and community development. Distinguished by a strong ability to navigate complex regulatory environments and foster partnerships that drive project success. Expertise in leveraging data analytics to inform housing strategies and improve project outcomes. Proven leadership in managing cross-functional teams and ensuring alignment with organizational goals.

EXPERIENCE

HOUSING DEVELOPMENT PROJECT LEAD

Green Spaces Development

2016 - Present

- Led projects focused on sustainable housing solutions, including eco-friendly materials.
- Developed strategic plans that align with environmental regulations and community needs.
- Engaged with local stakeholders to gather insights and foster collaboration.
- Supervised project timelines and deliverables, ensuring adherence to deadlines.
- Utilized GIS technology for site selection and environmental impact assessments.
- Managed public relations efforts to promote community involvement in projects.

URBAN PLANNER

City of Springfield

2014 - 2016

- Conducted feasibility studies to assess housing development potential.
- Collaborated with city officials to draft zoning policies that support housing initiatives.
- Presented recommendations to city council on urban development projects.
- Facilitated public forums to educate community members on housing plans.
- Managed grant applications for funding housing-related projects.
- Analyzed demographic trends to inform housing strategy development.
