Michael Anderson

FORENSIC BEHAVIOR ANALYST

Innovative Human Behavior Analyst with expertise in forensic psychology and criminal behavior. Over the past 6 years, I have applied psychological principles and behavioral assessments within the criminal justice system to influence rehabilitation efforts. My experience includes working closely with law enforcement and correctional facilities to evaluate offenders and develop tailored intervention programs.

EXPERIENCE

FORENSIC BEHAVIOR ANALYST

Justice Rehabilitation Center

2016 - Present

- Performed psychological evaluations of offenders to assess rehabilitation needs.
- Developed individualized treatment plans to address behavioral issues.
- Collaborated with law enforcement to provide insights on offender behavior.
- Conducted workshops for correctional staff on effective intervention strategies.
- Utilized data analysis to track treatment effectiveness and adjust programs accordingly.
- Presented findings in court to support rehabilitation recommendations.

BEHAVIORAL CONSULTANT

State Correctional Facility

2014 - 2016

- Conducted risk assessments to evaluate behavioral tendencies of inmates.
- Developed group therapy sessions focused on anger management and conflict resolution.
- Collaborated with multidisciplinary teams to create comprehensive rehabilitation plans.
- Monitored inmate progress and provided feedback to correctional officers.
- Utilized psychological theories to inform treatment methodologies.
- Provided expert testimony in court regarding behavioral assessments.
