### WORK EXPERIENCE

#### Healthcare Training Coordinator

2020-2023

Doctors Without Borders

- Designed and implemented training programs for medical staff in crisis zones.
- Conducted needs assessments to identify training requirements for healthcare workers.
- Facilitated workshops on emergency medical care and trauma management.
- Developed training resources that are relevant to specific contexts and challenges.
- Evaluated training effectiveness through participant feedback and assessments.
- Collaborated with local health authorities to align training with health priorities.

#### Medical Training Specialist

2019-2020

International Medical Corps

- Conducted training sessions on maternal and child health in emergency situations.
- Developed curricula that address the needs of healthcare providers in low-resource settings.
- Facilitated simulations to practice emergency response skills.
- Created evaluation tools to measure training outcomes and impact.
- Maintained relationships with healthcare organizations to enhance training relevance.
- Coordinated with field teams to ensure alignment of training with operational needs.

### ACHIEVEMENTS

- Improved healthcare delivery standards in crisis settings through targeted training.
- Recognized for exceptional contributions to healthcare training programs in 2019.
- Successfully trained over 500 healthcare workers across various regions.
