ACHIEVEMENTS

- Recognized as 'Leader of the Year' by the International Health Forum in 2021.
- Increased maternal health service access by 50% within three years in targeted regions.
- Successfully led a health campaign that vaccinated over 500,000 children against preventable diseases.

PROFILE

Dynamic and innovative Humanitarian Health Program Manager with extensive experience in implementing health programs in diverse and challenging environments. Expertise in strategic planning, resource mobilization, and fostering partnerships with local and international stakeholders. Proven ability to lead teams in delivering high-quality health services while ensuring compliance with international standards. Skilled in leveraging data analytics to drive program improvements and enhance health outcomes.

EXPERIENCE

HEALTH PROGRAM DIRECTOR

World Health Organization

2016 - Present

- Directed health program operations across multiple countries, focusing on maternal and child health.
- Implemented innovative health delivery models to improve service accessibility.
- Engaged in policy advocacy to influence health legislation at national levels.
- Monitored program performance and facilitated adjustments based on evaluation findings.
- Coordinated with regional offices to ensure alignment with global health initiatives.
- Developed knowledge-sharing platforms to disseminate best practices among health workers.

PROJECT MANAGER

Doctors Without Borders

2014 - 2016

- Managed emergency health response projects in high-risk areas, ensuring rapid deployment of medical teams.
- Conducted training sessions for healthcare workers on emergency protocols and medical procedures.
- Oversaw logistical operations, including the procurement of medical supplies and equipment.
- Facilitated community engagement efforts to ensure culturally sensitive health messaging.
- Collaborated with local health authorities to strengthen existing health systems.
- Prepared comprehensive reports for donors outlining project impact and financial expenditures.
