ACHIEVEMENTS

- Achieved a 40% increase in beneficiary satisfaction through improved feedback mechanisms.
- Received recognition for the successful implementation of a new MEAL framework.
- Contributed to a significant reduction in program costs by optimizing data collection processes.

PROFILE

Accomplished Humanitarian MEAL Specialist with extensive experience in the humanitarian sector, specializing in the integration of innovative monitoring and evaluation methodologies. Recognized for the ability to effectively manage complex projects, ensuring adherence to international standards and best practices in humanitarian programming. Expertise includes designing participatory evaluation processes that actively involve beneficiaries, thereby enhancing program relevance and sustainability.

EXPERIENCE

MEAL COORDINATOR

International Development Partners

2016 - Present

- Oversaw the development and implementation of MEAL strategies for multiple humanitarian projects.
- Designed and facilitated participatory evaluations, engaging beneficiaries in the assessment process.
- Managed a team of data collectors, ensuring high-quality data collection and reporting.
- Developed training materials on MEAL best practices for staff and partners.
- Analyzed program data to identify areas for improvement and recommend adjustments.
- Collaborated with external evaluators to enhance program learning and accountability.

FIELD MEAL OFFICER

Relief Action Network

2014 - 2016

- Implemented monitoring frameworks for emergency response projects across conflict-affected regions.
- Conducted baseline and endline surveys to evaluate project impact.
- Trained local staff on data management and reporting tools.
- Facilitated focus group discussions to gather qualitative insights from beneficiaries.
- Prepared detailed reports for donors, showcasing program outcomes and lessons learned.
- Engaged with community leaders to ensure project alignment with local needs.
