

MICHAEL ANDERSON

HUMANITARIAN EVALUATION LEAD

PROFILE

Accomplished humanitarian monitoring and evaluation manager with extensive experience in implementing and overseeing evaluation systems across diverse sectors. Expertise in designing and conducting evaluations that adhere to international standards while ensuring cultural sensitivity. Recognized for the ability to synthesize complex data into actionable recommendations for program improvement. Proficient in engaging stakeholders at all levels to facilitate participatory evaluation processes.

EXPERIENCE

HUMANITARIAN EVALUATION LEAD

World Relief Coalition

2016 - Present

- Developed and executed evaluation plans for emergency response programs in conflict-affected areas.
- Trained local staff on data collection techniques and ethical considerations in evaluations.
- Coordinated with program managers to align evaluation activities with project timelines.
- Analyzed qualitative data from focus groups to assess community impact.
- Prepared and disseminated evaluation findings to enhance transparency and learning.
- Advocated for the integration of evaluation results into future program designs.

M&E COORDINATOR

Humanitarian Action Network

2014 - 2016

- Implemented monitoring systems to track project performance against key indicators.
- Conducted regular field visits to ensure compliance with M&E protocols.
- Collaborated with external evaluators to enhance the credibility of evaluation processes.
- Facilitated workshops to build evaluation capacities among local NGOs.
- Utilized advanced statistical methods to analyze program data and generate reports.
- Maintained a database of evaluation results to support ongoing learning initiatives.
