WORK EXPERIENCE

Environmental Program Manager

2020-2023

Green Relief Organization

- Developed and implemented environmental sustainability programs affecting over 15,000 beneficiaries in disaster-prone areas.
- Collaborated with local governments to promote policies that support environmental protection and sustainable practices.
- Managed program budgets, ensuring alignment with environmental standards and regulations.
- Conducted assessments to evaluate the environmental impact of humanitarian projects.
- Facilitated training workshops on sustainable practices for community members.
- Reported on program outcomes to stakeholders, enhancing transparency and accountability.

Sustainability Officer

2019-2020

Humanitarian Aid Agency

- Implemented sustainability initiatives within humanitarian programs, focusing on resource management and waste reduction.
- Engaged with communities to raise awareness about environmental issues and promote sustainable practices.
- Monitored program impacts, utilizing data to inform future project designs.
- Developed partnerships with environmental organizations to enhance program effectiveness.
- Prepared donor reports detailing environmental impacts and program successes.
- Assisted in the preparation of funding proposals, securing additional resources for sustainability initiatives.

ACHIEVEMENTS

- Increased community participation in environmental programs by 70% through targeted outreach efforts.
- Recipient of the Sustainability Leadership Award for contributions to environmental protection in humanitarian settings.
- Successfully launched a reforestation initiative that planted over 50,000 trees in affected regions.
