# Michael Anderson

## MHPSS PROGRAM COORDINATOR

Innovative humanitarian protection specialist with a focus on mental health and psychosocial support (MHPSS) in humanitarian settings. Expertise in developing and implementing MHPSS programs that address the psychological needs of populations affected by conflict and disaster. Skilled in capacity building for local health workers and community leaders, ensuring sustainable support systems are established.

## EXPERIENCE

### MHPSS PROGRAM COORDINATOR

International Federation of Red Cross and Red Crescent Societies  
2016 - Present

- Developed MHPSS programs tailored to the needs of disaster-affected populations.
- Trained local health staff on psychosocial support techniques and interventions.
- Collaborated with community leaders to promote mental health awareness.
- Monitored and evaluated program effectiveness through feedback and data analysis.
- Engaged with local authorities to integrate MHPSS into health policies.
- Produced training materials to support ongoing capacity development.

### PSYCHOSOCIAL SUPPORT OFFICER

International Medical Corps  
2014 - 2016

- Provided direct psychosocial support to individuals affected by trauma.
- Facilitated group therapy sessions to encourage community healing.
- Conducted assessments to identify mental health needs and resources.
- Collaborated with health facilities to ensure comprehensive care for clients.
- Documented case studies to highlight effective interventions.
- Advocated for mental health integration into broader humanitarian responses.
