MICHAEL ANDERSON

HVAC INSTALLER

Detail-oriented HVAC Engineer with 5 years of experience specializing in residential HVAC installations and retrofits. My focus is on energy efficiency and customer satisfaction, and I have developed a reputation for delivering high-quality work on time and within budget. I possess a solid understanding of HVAC systems and their components, enabling me to assess client needs and recommend appropriate solutions.

PROFESSIONAL EXPERIENCE

Comfort Solutions Inc.

Mar 2018 - Present

HVAC Installer

- Installed residential HVAC systems, achieving a customer satisfaction rating of 95%.
- Performed energy audits to recommend system upgrades to homeowners.
- Maintained detailed records of installations and client interactions.
- Ensured compliance with building codes and safety regulations during installations.
- Collaborated with suppliers to source high-efficiency HVAC units.
- Provided after-installation support and troubleshooting for clients.

Home Comfort Experts

Dec 2015 - Jan 2018

HVAC Technician

- Assisted in the installation and repair of HVAC systems in residential properties.
- Conducted routine maintenance checks and system diagnostics.
- Communicated effectively with clients to understand their HVAC needs.
- Trained new technicians on proper installation techniques and safety practices.
- Maintained inventory of tools and supplies for efficiency.
- Provided excellent customer service, leading to repeat business and referrals.

ACHIEVEMENTS

- Recognized for 'Employee of the Month' for outstanding customer service in 2019.
- Increased customer referrals by 30% through positive client interactions.
- Completed advanced training in energy-efficient HVAC technologies.
