EDUCATION

MASTER OF SCIENCE IN INFORMATION TECHNOLOGY, CITY UNIVERSITY, 2012

ACHIEVEMENTS

- Recipient of the 'Outstanding Cloud Architect Award' in 2021 for excellence in cloud solutions.
- Successfully led a migration project for 100+ applications to a hybrid cloud platform.
- Boosted cloud service utilization by implementing a training program that increased user engagement by 60%.

PROFILE

Accomplished Hybrid Cloud Architect with over 10 years of experience in architecting, deploying, and managing cloud solutions in a corporate environment. My expertise lies in leveraging cloud technologies to enhance business operations and reduce costs. I've successfully designed cloud infrastructures that meet the needs of various departments while ensuring compliance with industry standards.

EXPERIENCE

LEAD CLOUD ARCHITECT

Enterprise Solutions Group
