EDUCATION

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING, STATE UNIVERSITY, 2011

ACHIEVEMENTS

- Achieved 'Cloud Excellence Award' in 2020 for outstanding contributions to cloud architecture.
- Successfully managed a project that migrated over 300 applications to a hybrid cloud environment.
- Enhanced cloud service reliability through strategic monitoring and optimization initiatives.

Dedicated Hybrid Cloud Architect with a rich background in cloud computing and over 9 years of experience in developing and implementing innovative cloud-based solutions. My passion lies in creating architectures that not only meet current business needs but are also scalable for future growth. I have expertise in hybrid cloud strategies that blend private and public cloud services, ensuring optimal performance and cost-effectiveness.

WORK EXPERIENCE

HYBRID CLOUD CONSULTANT

Cloud Dynamics Inc.

2020 - 2025

- Developed hybrid cloud frameworks that enhanced operational efficiency by 45%.
- Led cloud migration projects with a focus on minimizing downtime and maintaining data integrity.
