MICHAEL ANDERSON

IAM SPECIALIST

Innovative Identity and Access Management Engineer with 8 years of experience focused on healthcare IT. My expertise includes the implementation of IAM solutions that comply with HIPAA regulations while enhancing patient data security. I have a strong track record of conducting risk assessments and developing access control measures that protect sensitive health information.

PROFESSIONAL EXPERIENCE

HealthTech Solutions

Mar 2018 - Present

IAM Specialist

- Designed IAM solutions that met HIPAA compliance standards for healthcare data.
- Implemented role-based access controls for clinical and administrative staff.
- Conducted risk assessments that identified and mitigated security vulnerabilities.
- Developed training programs on IAM best practices for healthcare professionals.
- Collaborated with IT and clinical teams to ensure seamless integration of IAM tools.
- Managed user access reviews to maintain compliance with regulations.

CarePlus Health

Dec 2015 - Jan 2018

Security Compliance Analyst

- Assisted in audits to ensure compliance with HIPAA and HITECH regulations.
- Reviewed and updated access control policies for sensitive health information.
- Participated in incident response activities related to unauthorized access.
- Provided recommendations to improve IAM processes based on audit findings.
- Engaged in user training to promote security awareness in handling patient data.
- Documented IAM policies and procedures for compliance audits.

ACHIEVEMENTS

- Achieved a 50% reduction in compliance violations over two years.
- Led a project that streamlined user access processes, reducing provisioning time by 30%.
- Received an award for excellence in IAM practices within the healthcare sector.
