MICHAEL ANDERSON

PUBLIC HEALTH EVALUATOR

Dedicated Impact Evaluation Specialist with over 5 years of experience in public health. Focused on assessing health programs to ensure effectiveness and efficiency in resource allocation. Proficient in statistical analysis and health economics, with a strong grasp of epidemiological methods. Experienced in engaging with community stakeholders to promote transparency and collaborative evaluation efforts.

PROFESSIONAL EXPERIENCE

Health Impact Agency

Mar 2018 - Present

Public Health Evaluator

- Conducted evaluations of public health initiatives, leading to a 15% improvement in health outcomes.
- Utilized statistical software to analyze program data and identify areas for improvement.
- Collaborated with local health departments to ensure alignment with community needs.
- Designed evaluation tools to collect both qualitative and quantitative data.
- Reported evaluation findings to stakeholders, facilitating data-driven adaptations of health programs.
- Engaged with community members to gather feedback and enhance program relevance.

City Health Department

Dec 2015 - Jan 2018

Health Program Analyst

- Assisted in evaluating public health programs, resulting in a 10% increase in service utilization.
- Analyzed health data using Excel to inform program modifications.
- Participated in community outreach efforts to promote program awareness.
- Prepared detailed reports on program performance for health administrators.
- Facilitated workshops to train staff on evaluation methodologies.
- Monitored program implementation to ensure adherence to evaluation protocols.

ACHIEVEMENTS

- Recognized for outstanding service with the 'Public Health Excellence' award.
- Developed a new evaluation framework adopted by multiple health departments.
- Increased program funding by 20% through successful evaluation presentations.
