MICHAEL ANDERSON

IMPLANT DENTIST

As a board-certified implantologist with 6 years of experience, my focus lies in providing minimally invasive implant solutions that prioritize patient comfort and recovery. My interest in implant dentistry was sparked during my dental school training, where I excelled in surgical techniques. Following graduation, I completed a residency in implantology, which deepened my passion for the field.

PROFESSIONAL EXPERIENCE

Bright Future Dental Care

Mar 2018 - Present

Implant Dentist

- Performed over 500 successful implant surgeries with a focus on patient comfort.
- Utilized cone beam CT imaging to enhance surgical precision.
- Created personalized treatment plans based on individual patient assessments.
- Maintained an open line of communication with patients throughout the treatment process.
- Participated in community health fairs to educate the public about dental implants.
- Collaborated with general dentists for comprehensive patient care.

City Hospital Dental Residency

Dec 2015 - Jan 2018

Dental Resident

- Assisted in implant placement surgeries under the supervision of experienced mentors.
- Conducted patient consultations to determine suitability for implants.
- Learned advanced techniques in bone grafting and sinus lifts.
- Participated in weekly case reviews to discuss treatment strategies.
- Gained experience in managing post-operative care and follow-up.
- Engaged in research focused on improving implant success rates in diverse populations.

ACHIEVEMENTS

- Received the New Dentist Award, 2020 for exceptional patient care.
- Increased patient inquiries for implants by 30% through community presentations.
- Published findings on implant techniques in a regional dental journal.
